

Marble and Granite Cleaner and Care

Marmor und Granit Reiniger und Pflege

Description

Concentrate! Protects from drying-up. For polished and rough granite. Ideal for worktops.

Action

Concentrate for thorough cleaning and lasting care of all marble and granite surfaces in one go. For the removal of greasy, oily contaminations and traces of usage.

Care components protect the material from drying out so that the natural beauty is sustained in the long term. The surface will not become slippery.

Scope of application

For all marble and granite surfaces in indoor and outdoor areas, especially in the living, kitchen and bathroom area and for surfaces used for commercial purposes. For floors, walls, window sills, tables and kitchen worktops.

Application

Put 50 ml of the cleaner into a bucket with 10 l warm water and mix well. Apply evenly with floor cloth or cloth and leave to soak for a short while. Then wipe off using the same cleaning solution. Do not wipe off with clear water afterwards. Allow treated surface to dry. Reduce dosage of the cleaner if any streaks should show on high-gloss polished surfaces.

Please note

To protect high-quality natural stones such as marble or granite against the penetration of greasy or oily stains and against water stains, treatment using Glutoclean Marble and Granite Impregnation is recommended.

Technical data

- Density: 1.005 g/ml
- pH value: 8-9
- Appearance: opaque liquid
- Odour: fresh

Safety notes

- Keep out of the reach of children.
