**Product name:** âæ←~ÄØb~ÈÇ↔^á\ÈÑá^ää&ãfi^

### 1. Identification of the substance / preparation and of the company

**Identification of the substance or preparation:**

âæ←~ÄØb~ÈÇ↔^á\ÈÑá^ää&ãfi^

**Use of the substance / preparation:**

adhesive tape

**Company identification:**

beko GmbH  
 Rappenfeldstr. 5  
 DE-86553 Monheim

Telephone: +49 (0) 9091 90898-0  
 Telefax: +49 (0) 9091 90898-29  
 e-mail: info@beko-group.com

**Emergency Call: Poison Control Center Mainz - 24 h - phone: +49 (0) 6131/19240**

**Informing department:** Produktberatung Telephone: +49 (0) 9091 90898-0

### 2. Hazards identification

**Hazards designation:** this product does not require labelling in terms of preparation guideline 1999/45/EC

**Specific hazards:** no special remarkable hazards

### 3. Composition / information on ingredients

**Chemical characterization:** Adhesive tape with a pressure sensitive based on an acrylate dispersion; carrier: polyethylen (LDPE) foil and polyester web; liner: silicone paper

**Hazardous ingredients:** none

**Additional informations:** none

### 4. First-aid measures

**General information:** none

**On inhalation:** not applicable

**On contact with the skin:** clean adhesive residues with water and soap

**On contact with the eyes:** not applicable

**If swallowed:** not applicable

**Self-protection of first-aider:** not applicable

**Information for the doctor:** none

### 5. Fire-fighting measures

**Suitable extinguishing media:** water, powder, foam carbon dioxide (CO<sub>2</sub>)

**Unsuitable extinguishing media:** none

**Special exposure hazards arising from the substance or preparation itself, combustion products, resulting gases:** In case of fire toxic fumes might be formed: carbon monoxide (CO), carbon dioxide (CO<sub>2</sub>), nitrogen oxides (NO<sub>x</sub>) and organic pyrolyse products.

**Special protective equipment for firefighting:** breathing apparatus with independent air supply for fire-fighters

**Additional information:** none

## 9. Physical and chemical properties

### General information

**Physical state:** solid

**Colour:** &ãææ^

**Odour:** low own odour

### Important health, safety and environmental information

	value/dimension	method
<b>pH-value:</b>	n.a.	
<b>Physical state change:</b> melting point foil	105 - 135 °C	
thermal decomposition	> 360 °C	
<b>Ignition temperature:</b>	n.a.	
<b>Density:</b>	n.a.	
<b>Solubility in water:</b>	insoluble	
		n.a. = not applicable
<b>Additional information:</b> none		

## 10. Stability and Reactivity

**Conditions to avoid:** no decomposition at use according to applicational design

**Materials to avoid:** none

**Hazardous decomposition products:** none (at burning see point 5.)

**Further informations:** no hazardous decomposition products if stored and handled as prescribed

## 11. Toxicological information

No hazards are predicted, provided the material is correctly handled.

## 12. Ecological information

No hazards are predicted, provided the material is correctly handled.

## 13. Disposal considerations

**Disposal / Waste (product):** Disposal in accordance with the local disposal regulations (for example: landfill, incineration, recycling).

**Waste designation:** Waste adhesive and sealants

**Waste code:** 080410

**Packages:** Disposal in accordance with the local disposal regulations (for example: landfill, incineration, recycling).

**Waste designation:** Paper and cardboard packaging

**Waste code:** 150101

## 14. Transport information

No hazardous material as defined by the transport regulations.

**15. Regulatory information**  
**Labelling:** does not require labelling  
**National regulations:** observe in addition the national legislative regulations

**16. Other information**  
**Recommended restriction(s) on use:** none  
**Further information:** This product is - according to the EC Directives 1999/45/EC or 67/548/EEC - a product for which a safety data sheet is not necessary.  
 With respect to the safety interest of our customers we hereby reflect the relevant phrases of the directive 1907/2006/EC for hazardous substances and preparations.  
 All above mentioned statements are according to our actual knowledge. The given information describes the product under the aspect of safety relevant data and do not constitute a warranty like a technical specification.  
 All existing laws and regulations must be kept by the user of our products.  
 This data sheet replaces all previous versions.

Safety data sheet issued by the development and quality department.
