Never give anything by mouth to an unconscious person.

**After inhalation:** Supply fresh air; consult doctor in case of complaints.

**After skin contact:** Wash with plenty of soap and water.

#### After eye contact:

Remove contact lenses. Keep eye lids open and rinse plentifully for at least 10 minutes with clean running water. Subsequently consult an ophthalmologist.

In case of troubles or persistent symptoms, consult an ophthalmologist.

#### After swallowing:

Rinse out mouth and then drink plenty of water.

Seek immediate medical advice.

### 4.2 Most important symptoms and effects, both acute and delayed
