

tesa® 60101

Product Information

Fibreglass Tape

tesa® 60101 self-adhesive fibreglass tape features the state of the art in joint tape technology. With its very strong and flat fibreglass mesh, tesa® 60101 offers durable and long lasting drywall/plaster board joints. The excellent adhesion and the very good tensile strength allow one-time application and smooth finished joints.

Main Application

tesa® 60101 is also used for fixing and patching small holes and cracks.
