

Fireplace and oven glass cleaner

Kamin und Ofenglas Reiniger

Description

Ready-to-use cleaner with immediate effect. Removes soot precipitation and prevents stubborn soiling. Simple application.

Effect

Application-ready cleaner for the removal of soot precipitation, combustion residue, grease and stubborn dirt.

Area of application

For fireplace and oven glass panes.

Application

Use only when the fireplace/oven is cold! Spray uniformly onto dirty glass surface and allow to act for 1 - 2 minutes. Mop up the loosened residue with a cloth, sponge or kitchen cloth, and wipe off with clear water. Finally rub dry with a clean cloth.

Please note

Note the maintenance directives of the fireplace or oven manufacturer. Paint coverings should be burned-in before the first cleaning. Protect the immediate environment. If swallowed, seek medical advice immediately and show this container or label. Do not touch the surface to be cleaned against product contact. Where necessary, wash immediately with a lot of water.
