

## Urine Scale and Limestone Remover Urin und Kalkstein Entferner

### Description

Extra powerful Intensive Cleaner. Dissolves incrustations and heavy contaminations. For WC, urinal and bidet.

### Action

Self-acting. Removes urine scale, lime deposits, traces of soap, rust stains and other stubborn contaminations and deposits in the sanitary area.

### Scope of application

For all acid-proof surfaces of fitted ceramic items in the sanitary area such as WC, urinal, bidet or trough systems as well as shower trays and bathtubs.

### Application

Pour approx. 150 ml into the bowl and distribute evenly using a brush. Leave to soak over a longer period of time (overnight if necessary). Then rework with a brush and rinse with plenty of water.

### Please note

In case of old or heavy contamination, repeating the process is recommended. In very stubborn cases, remove the water contained in the toilet bowl siphon so as to apply the product in a more concentrated fashion.

Do not apply on surfaces sensitive to acids, chrome or enamel. Protect and, if necessary, cover surfaces of natural and artificial stones such as marble, terrazzo, travertine and Solnhofen tiles from splatter.

### Technical data

- Density: 1.02 g/ml
- pH value: 1.5-2.0
- Appearance: blue liquid
- Odour: fresh

### Safety notes
