

# PUFAS Roof and Plinth Paint

## Dach- und Sockelfarbe

Weather resistant, solvent-free synthetic resin emulsion paint in 11 shades for use indoors and outdoors.

<b>Instructions for use:</b>	<i>PUFAS Roof and Plinth Paint</i> is suitable for painting pantiles made from clay and concrete, fibre cement roofs, roof underviews as well as for house bases made from cement, synthetic resin plaster, concrete and similar mineral surfaces.	
<b>Technical specifications:</b>	Components:	Synthetic resin emulsion, coloured pigments
	Density:	approx. 1.4 g/cm <sup>3</sup>
	pH-value:	8-9
	Gloss unit according to EN 53778:	matt
	Scrubbing cycles according to EN 133300:	> 5,000 DH, scrub resistant to EN 53778
	Consumption:	150-200 ml/m <sup>2</sup> per coat
<b>Surface preparation:</b>	The surface must be dry, firm, dust and grease free. Remove flaking coats of paint and plaster. If the surface is affected by algae and moss, clean the area with <i>PUFAS STOP Algae and Mould</i> . Make good cracks and holes using <i>PUFAS Exterior</i> or <i>PUFAMUR Exterior Façade Filler</i> . Prime highly absorbent, sanding and chalking surfaces with <i>PUFAS Deeply-Penetrating Primer LF</i> or <i>LH</i> . Apply an undercoat of <i>PUFAS Isolation Paint</i> to new eternit roofs.  Neutralize alkaline, chalky and cement-containing surfaces with <i>OLAFIRN</i>  Protect the base from moisture out of the ground or from the inside to guarantee good adhesion of the coat.	
<b>Application:</b>	<i>PUFAS Roof and Plinth Paint</i> is ready to use and can be applied using a brush, paint roller or standard airless devices. The paint can be thinned with approx. 5 % water for the primer coat. After the first coat has completely dried, apply one or two un-thinned coats of paint as needed.  <i>PUFAS Roof and Plinth Paints</i> can be mixed with each other and with white façade paints. Only use full colour for painting roofs.  Do not use if the surface and /or room temperature are below + 5° Celsius! Clean tools in water immediately after use.	
<b>Important information:</b>	Please see the EU Safety Data Sheet for all safety-related data (EU-CLP).	
<b>Storage:</b>	Store in a cool but frost-free place! Keep the containers tightly sealed!	
<b>Available sizes:</b>	2,5 l oval PE tub	09xx07000
	5.0 l oval PE tub	09xx05000
	12.5 l oval PE tub	09xx06000
