#### 2. HAZARDS IDENTIFICATION

### **GHS Classification**

Not a hazardous substance or mixture.

#### **GHS** label elements

Not a hazardous substance or mixture.

#### Other hazards which do not result in classification

If applicable information is provided in this section on other hazards which do not result in classification but which may contribute to the overall hazards of the substance or mixture.

#### 3. COMPOSITION/INFORMATION ON INGREDIENTS

#### Components

| Chemical name      | CAS-No.    | Concentration (%<br>w/w) |
|--------------------|------------|--------------------------|
| crystalline silica | 14808-60-7 | >= 20 - < 30             |
| Calcium sulphate   | 7778-18-9  | >= 10 - < 20             |

### 4. FIRST AID MEASURES

| General advice          | : | First aid personnel should pay attention to their own safety.<br>Immediately remove contaminated clothing.  |
|-------------------------|---|---|
| If inhaled              | : | Keep patient calm, remove to fresh air.   |
| In case of skin contact | : | If symptoms persist, seek medical advice.<br>After contact with skin, wash immediately with plenty of water |

### **11. TOXICOLOGICAL INFORMATION**

#### Acute toxicity

Not classified based on available information.

#### Skin corrosion/irritation

Not classified based on available information.

#### Serious eye damage/eye irritation

Not classified based on available information.

#### Respiratory or skin sensitization

#### Skin sensitization

Not classified based on available information.

#### **Respiratory sensitization**

Not classified based on available information.

#### Germ cell mutagenicity

Not classified based on available information.

#### Carcinogenicity

Not classified based on available information.

#### **Reproductive toxicity**

Not classified based on available information.

#### STOT-single exposure

Not classified based on available information.

#### STOT-repeated exposure

Not classified based on available information.

#### Aspiration toxicity

Not classified based on available information.

#### Further information

#### Product:

Remarks

: Health injuries are not known or expected under normal use. No data is available on the product itself. Information given is based on data on the ingredients and the toxicology of similar products.
